

The faster, easier way to learn to read.

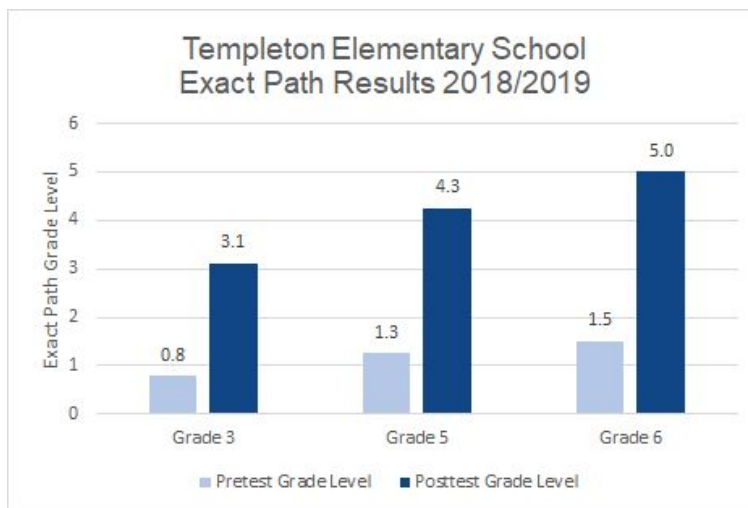

Templeton Elementary School Results

Templeton Elementary School has been using Readable English since 2018. This report shows the results from both the 2018/2019 school year and the 2019/2020 school year.

2018/2019 School Year

Exact Path Results

In the 2018/2019 school year, the Readable English program was taught to 22 struggling readers across Grades 3-6 for a 6-month period.

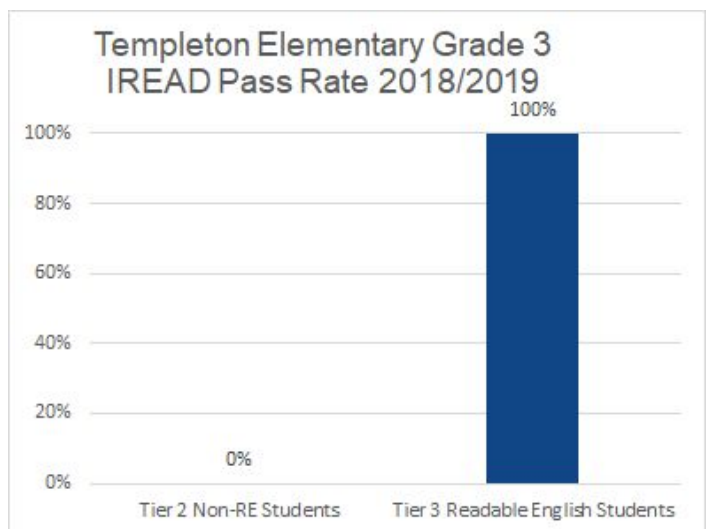

In 6 months, struggling readers across all grades achieved on average 2.5 grade levels of growth.

READ-3 Test

Students who had been taught Readable English also out-performed non-Readable English students in passing the IREAD-3 test. (IREAD-3 measures the foundational reading skills of students at the end of their grade 3 school year.)

Students who were further behind in Tier 3 surpassed the Tier 2 students in passing the IREAD-3 test.

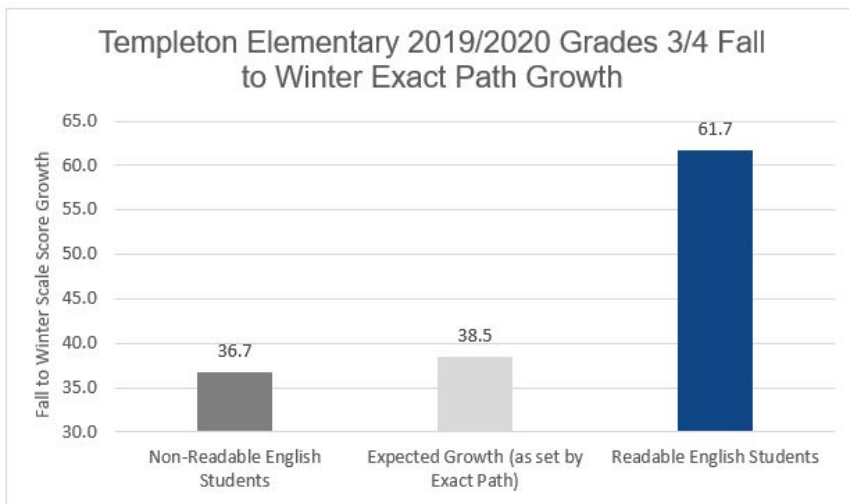

The faster, easier way
to learn to read.

2019/2020 School Year

After achieving positive results in the 2018/2019 school year, struggling readers from Grades 3 and 4 were taught Readable English in the 2019/2020 school year.

The below results show students' Fall to Winter Growth (the last assessment before schools closed due to COVID-19).

Exact Path Results

While non-Readable English students performed as would be expected, Readable English students far exceeded the expected reading growth as set by Exact Path.
